PETITION TO REVIVE APPLICATION UNDER 37 CFR §1.137(b)

Applicant hereby petitions under 37 CFR §1.137(b) to revive the above application, which was abandoned by failure to file a proper Request for Continued Examination (RCE) following the filing of a Notice of Appeal on March 19, 2008. An RCE and an Information Disclosure Statement were timely filed on October 20, 2008. However, subsequent Notices from the Office, mailed on December 22, 2008, and February 6, 2009, indicated that the RCE did not meet all of the requirements of 37 CFR 1.114.

A continuing application is being filed concurrently on this same day to satisfy the reply requirement of 37 CFR §1.137(b). The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.
